

Leslie Taffe

Remote Django developer

E-mail: taffe.leslie@gmail.com

Address:

309 Seaview Gardens

Kingston 11

West indies

Jamaica

EXPERIENCE

I have done 1 year of project based studying with focus on back end web development with Python's Django module

EDUCATION

Ardenne High School **2009 – 2014**

School leaving certificate

Caribbean Secondary Examination Certificate (CSEC)

- Mathematics – Three (3)
- English Language – Two (2)
- Chemistry – Three (3)
- Biology – Three (3)
- Information Technology – Three (3)

Tivoli Gardens High School

2014 – 2016

PROJECTS

Portfolio website

Built to demonstrate to future employers my capabilities as a Django web developer and to make myself more visible for future employers

SKILLS

Python(Django)

CSS / HTML

Java Script

SQL(PostgreSQL)

Git

Is proficient in Microsoft

Word, Excel Spreadsheet,

Microsoft Access as well as

Microsoft PowerPoint.

Is a team player.

Is hard working and willing to work long hours.

Is goal oriented.

Is a fast learner and is

flexible.

It combines my knowledge of:

- Django web framework,
- HTML and CSS,
- Java Script,
- SQL

and it has led me to learn how Heroku hosts deployed websites and how Amazon Web Services S3 buckets serve static files.

Career Objectives

I'm looking for somewhere that can nurture me as I learn and aim to be proficient in software engineering. I know there is much for me to learn and I have no problems putting in the work to catch up to and be as proficient and useful as my peers, I just need a good environment to grow in to become an asset to whoever gives me the chance to grow.
